As per reference of National Dope Testing Laboratory (NDTL) letter having no F.NO.54/NDTL/ISO/2018-2019-II dated 22 July-2019, NDTL offered the opportunity of training facility of deserving students in summer (July – December). The training options were given for a period of 2 months to 6 months for students from different univercities/institutes in areas of drug testing and analysis. The last date for submission of application for summer session was 06 August 2019.

In this connection, It has been proposed to cancel the summer training (July - December) due to administrative reason.
