

Memorandum of Understanding (MoU)

The National Dope Testing Laboratory (NDTL) signed an MoU with the CSIR-Indian Institute of Integrative Medicine (IIIM), Jammu, effective from 11th January, 2021 for research collaboration by combining their respective research capabilities in the areas of synthesis of reference standards and in-vitro and in-vivo studies (PK studies) on the metabolites with main emphasis on the national goals in area of Dope testing and Global positioning. In future both the Institutes will also explore the role of phyto-chemicals in particular phyto-steroids in dope testing.

NDTL and CSIR-IIIM Signing the MoU
